

Please note the following, tickets for the Munster Senior Hurling Championship Rds 1 to 4 will go on General Sale tomorrow April 5th at 11am online and from Centra & Super Valu.

STUDENT/OAP'S - Please note this is different to previous years. Student/OAP tickets can be purchased online or through county boards **ONLY**. There will not be any rebate at the venues. You will be able to access these similar to how you change your Adult to a juvenile ticket, there will be a student/oap option there.

Juvenile groups are available for the round robin fixtures in TUS Gaeilc Grounds, FBD Semple Stadium and Pairc Ui Chaoimh. These can be ordered through a form which is located on our website under the ticket section. Tickets are limited.

There will be limited stand tickets available tomorrow for the Cork game online and through Centra and Super Valu.

Waterford and Tipperary games at home should have increased capacity available. They will also be on sale tomorrow from 11am.

There will be no stand tickets available for the Clare game.

As previously outlined at our County Board Meetings our ticket allocation is significantly reduced as the season tickets come out of our allocation. There are 3250 season ticket holders.

The County Board Office will distribute a limited number of stand tickets, approx. 10 per club. This is a baseline figure; some clubs may get more through the Club Lk Draw numbers and status etc. This process will be done online using passwords and a direct payment system.
