Covid Update For Clubs In the 26 Counties

From 10th May: outdoor training is permitted at adult level in pods of a maximum of 15 people (including coaches). However, games are not allowed and indoor facilities must remain closed.

From 7th June: (and subject to the Public Health Situation at the time) – club games will be permitted at all levels but must be played behind closed doors. GAA officials in Croke Park are currently liaising with the relevant Departments to seek further information on the fines details of what will be permitted at various points in the recovery plan. For the moment we would ask all our club members for patience in relation to questions no doubt have in relation to the various return dates and the specifics of what will be allowed. It is the intention of officials in Croke Park to issue a more detailed communication to clubs and counties once further information is available.
In the interim GAA officials in Croke Park would like to remind all clubs in the 26 counties of the following:
Until May 10th only training for underage teams (non-contact and in pods of 15) is permitted underage teams mean any registered team at under 18 level or below.
All indoor facilities must remain closed (exception to toilet facilities).
Fundraising events on GAA property are not currently permitted.
Gym facilities must remain closed (exception Senior Inter-County players may use their relevant club gym for individual training as long as they are following the advice in the Inter County Return to Training and Play document).

Inter County Challenge Games/U20 and Minor Training

The Allianz leagues in hurling will return this weekend May 8th/9th and in football the following weekend of May 15th/16th. The Government announcements on Thursday 29th April did not make any reference to when challenge games will be permitted at Inter County level. Nor was there any reference to when Inter-County under 20 and Minor teams may return to training. Croke Park officials are currently seeking clarity on these two points and will communicate directly with County Secretaries in this context once they receive it. Any breach of the regulations by counties or clubs will be dealt with as per appropriate rule.
