### GAA Museum Virtual Book Club

While it's not possible to visit the GAA Museum or its library and archives in person right now, you can still learn more about gaelic games and the history of the association by becoming a member of their new Virtual GAA Museum Book Club. Each month the GAA Museum team will chose a well-known GAA book to read and review. At the end of the month, the museum will host a free online interview with the author in which members can submit questions and comments. The ambition of the book club is to review some of the great GAA books and to give us all a much-needed sporting boost as we all stay at home. You can find out more and how to get involved via the following link: <https://crokepark.ie/bookclub>.
